Dear Irit:

We are now back in the United States, and I want to tell you, your tour was TERRIFIC. From greeting us on the bus to seeing us off, we enjoyed the experience so much. Even our young guest, who had enjoyed NOTHING on the trip so far, was beside himself with joy at the Shepherding experience. It was wonderful for my son the Bar Mitzvah boy and his brother, and also for the grownup guests, too! You were knowledgeable and gracious to my old mother, accommodating her physical restrictions, and made us not even notice the heat! Your tour of the flora as well as the fauna--and your ability to keep a secret right to the end about the "surprise activity"--were wonderful. I am already flavoring my dishes with our wonderful hyssop that we so enjoyed creating with you!

Thank you and Neot Kudamim so much. One of our guests has been supporting Neot Kudamim for 50 years from America--she says she will now continue for the next 50! :)

Cheers and many thanks--
Caroline Reeves
