Dear Miriam,

I wanted to let you know that Amy's Bat Mitzvah at Neot Kedumim was everything that I imagined it would be. The setting for the ceremony was absolutely perfect, down to the mother and baby donkey prancing behind Amy as she chanted her Torah portion!

Our guide, Sarale, was exceptional. She gave a beautiful talk about the 60th anniversary commemorative (Judea capta) coin, which tied in thoughtfully with the themes in the Bat Mitzvah service.

Finally, the meal was delicious. Everyone enjoyed the celebration!

Again, thank you for helping to make Amy's Bat Mitzvah day truly wonderful.
